

Reading to Perform a Task: Making a Recipe

1. Recipe name and source:

2. Use the clock faces below to show the start and end time of your recipe.

Recipe Start Time

Recipe End Time

3. Calculate the elapsed time.

4. List three changes you could make to this recipe so that it would take less time to make.

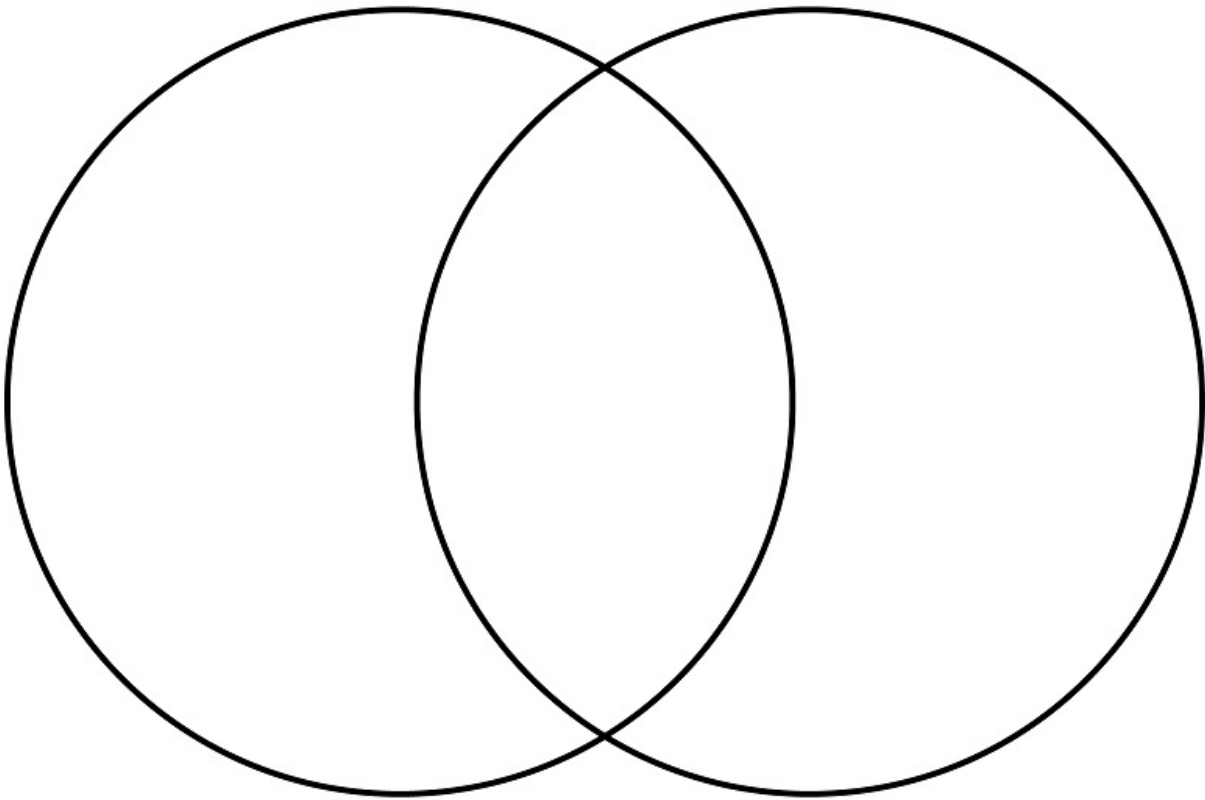

a)

b)

c)

5. Would these proposed changes impact the taste of the final dish? Why or why not? Include at least three supporting details in your answer.

6. Use the Venn diagram below to compare and contrast this recipe with one you have made within the past three months. Write the name of each recipe below its portion of the diagram.

BONUS POINTS:

Write the cost of your recipe as a decimal, a mixed number, and an improper fraction.
